according to Regulation (EC) No. 1907/2006

DICROM DB-160 COLOR BLEND

Version	Revision Date:	SDS Number:
1.0	22.03.2018	H55788

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

on use

Trade name : DICROM DB-160 COLOR BLEND

only.

1.2 Relevant identified uses of the substance or mixture and uses advised against

Use of the Substance/Mixture	:	Paint additive
Recommended restrictions	:	For use in industrial installations or professional treatment

1.3 Details of the supplier of the safety data sheet

Company	:	Roberlo s.a. Ctra. Nacional II, Km. 706,5 17457 Riudellots de la Selva Spain
Telephone	:	+34972478060
Telefax	:	+34972477394
E-mail address of person responsible for the SDS	:	msds@roberlo.com

1.4 Emergency telephone number

+34 972 478060 (8:00-12:45 / 14:15-17:30 h) ROBERLO (Spain) (GMT + 1:00)

SECTION 2: Hazards identification

2.1 Classification of the substance or mixture

Classification (REGULATION (EC) No 1272/2008)

H226: Flammable liquid and vapour.
H315: Causes skin irritation.
H319: Causes serious eye irritation.
H336: May cause drowsiness or dizziness.
H373: May cause damage to organs through prolonged or repeated exposure if inhaled.
H412: Harmful to aquatic life with long lasting effects.

according to Regulation (EC) No. 1907/2006

Version	Revision Date:	SDS Number:
1.0	22.03.2018	H55788

2.2 Label elements

Labelling (REGULATION (Hazard pictograms	(EC) :	No 1272/2008)
Signal word	:	Danger
Hazard statements	:	 H226 Flammable liquid and vapour. H315 Causes skin irritation. H319 Causes serious eye irritation. H336 May cause drowsiness or dizziness. H373 May cause damage to organs through prolonged or repeated exposure if inhaled. H412 Harmful to aquatic life with long lasting effects.
Precautionary statements	:	 Prevention: P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. P260 Do not breathe vapours. P260 Do not breathe spray. P280 Wear protective gloves/ protective clothing/ eye protection/ face protection.
		Response: P303 + P361 + P353 IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water.
		Disposal: P501 Dispose of contents/ container to an approved waste disposal plant.
Hazardous components wh	ich r	nust be listed on the label:

n-butyl acetate xylene (mixture of isomers) Solvent naphtha (petroleum), light arom. butan-1-ol

2.3 Other hazards

This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

SECTION 3: Composition/information on ingredients

3.2 Mixtures

Chemical nature : Paint

according to Regulation (EC) No. 1907/2006

SECTION 4: First aid measures

4.1 Description of first aid measures General advice Move out of dangerous area. : Show this safety data sheet to the doctor in attendance. Do not leave the victim unattended. If inhaled Consult a physician after significant exposure. : If unconscious, place in recovery position and seek medical advice. In case of skin contact If skin irritation persists, call a physician. : If on skin, rinse well with water. If on clothes, remove clothes. Flush eyes with water as a precaution. In case of eye contact : Remove contact lenses. Protect unharmed eye. Keep eye wide open while rinsing. If eye irritation persists, consult a specialist. If swallowed Keep respiratory tract clear. : Do not give milk or alcoholic beverages. Never give anything by mouth to an unconscious person. If symptoms persist, call a physician. Take victim immediately to hospital. 4.2 Most important symptoms and effects, both acute and delayed Symptoms Inhalation may provoke the following symptoms: • Headache Dizziness Fatigue Weakness

Redness

Skin contact may provoke the following symptoms:

according to Regulation (EC) No. 1907/2006

DICROM DB-160 COLOR BLEND

Version 1.0	Revision Date 22.03.2018	e:	SDS Number: H55788
			Pain Ingestion may provoke the following symptoms: Abdominal pain Nausea Vomiting Diarrhoea
	•	meo	dical attention and special treatment needed
Treatme	nt	:	No information available.
SECTION 5	: Firefighting meas	sur	es
5.1 Extinguis	shing media		
Suitable	extinguishing media	:	Alcohol-resistant foam Carbon dioxide (CO2) Dry chemical
Unsuitab media	ble extinguishing	:	High volume water jet
5.2 Special h	nazards arising from	the	e substance or mixture
-	hazards during	:	Do not allow run-off from fire fighting to enter drains or water courses.
Hazardo products	us combustion	:	No hazardous combustion products are known
5.3 Advice for	or firefighters		
	protective equipment	:	In the event of fire, wear self-contained breathing apparatus.
Further i	nformation	:	Collect contaminated fire extinguishing water separately. This must not be discharged into drains. Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. For safety reasons in case of fire, cans should be stored separately in closed containments. Use a water spray to cool fully closed containers.

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

Personal precautions	: Use personal protective equipment. Ensure adequate ventilation.
	Remove all sources of ignition.
	Evacuate personnel to safe areas.
	Beware of vapours accumulating to form explosive
	concentrations. Vapours can accumulate in low areas.

according to Regulation (EC) No. 1907/2006

Version	Revision Date:	SDS Number:
1.0	22.03.2018	H55788

6.2 Environmental precautions

Environmental precautions	 Prevent product from entering drains. Prevent further leakage or spillage if safe to do so. If the product contaminates rivers and lakes or drains inform respective authorities.
6.3 Methods and material for c	Shtainment and cleaning up
Methods for cleaning up	: Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth,

vermiculite) and place in container for disposal according to

local / national regulations (see section 13).

6.4 Reference to other sections

For contact information in case of emergency, see section 1. For information on safe handling, see section 7. For exposure controls and personal protection measures, see section 8. For subsequent waste disposal, follow the recommendations in section 13.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

7.2

Advice on safe handling	:	 Avoid formation of aerosol. Do not breathe vapours/dust. Avoid exposure - obtain special instructions before use. Avoid contact with skin and eyes. For personal protection see section 8. Smoking, eating and drinking should be prohibited in the application area. Take precautionary measures against static discharges. Provide sufficient air exchange and/or exhaust in work rooms. Open drum carefully as content may be under pressure. Dispose of rinse water in accordance with local and national regulations.
Advice on protection against fire and explosion	:	Do not spray on a naked flame or any incandescent material. Take necessary action to avoid static electricity discharge (which might cause ignition of organic vapours). Keep away from open flames, hot surfaces and sources of ignition.
Hygiene measures	:	When using do not eat or drink. When using do not smoke. Wash hands before breaks and at the end of workday.
Conditions for safe storage,	incl	uding any incompatibilities
Requirements for storage areas and containers	:	No smoking. Keep container tightly closed in a dry and well- ventilated place. Containers which are opened must be

according to Regulation (EC) No. 1907/2006

SECTION 13	: Disposal conside	rations
13.1 Waste tre	eatment methods	
Product	:	The product should not be allowed to enter drains, water courses or the soil. Do not contaminate ponds, waterways or ditches with chemical or used container.

Contaminated packaging : Empty remaining contents.

Dispose of as unused product. Do not re-use empty containers. Do not burn, or use a cutting torch on, the empty drum.

Send to a licensed waste management company.
